ADD-ONS

BOOSTERS PRICING: \$20 each

Vitamin C

Antioxidant, strengthens immune system, antiviral, helps with fatigue and overcoming common illnesses.

Glutathione

Powerful antioxidant. Protects health by detoxing and cleansing the liver. Boosts the immune system, reduces toxins, reduces inflammation, and synthesizes collagen.

Zinc

Fortifies the immune system, prevents illness, helps with wound healing and collagen formation. Reduces sinus inflammation and allergies.

Tri-Amino

Combines three essential amino acids into one, promotes cardiovascular health, improves circulation, and increases muscular endurance and athletic performance, migraine symptoms, and erectile dysfunction.

Alpha-Lipoic Acid

Antioxidant, detoxification agent, anti-inflammatory, anti-aging, promotes weight loss, aids in diabetic neuropathy and chronic illnesses.

Vitamin D

Essential nutrient that plays a crucial role for maintaining bone health by aiding in calcium absorption. It also contributes to a healthy immune system, muscle strength function, protective effect of the heart health.

B Complex

This booster is jam-packed with eight different types of vitamin B — all of which are essential to your overall health and immune system.

Folic Acid

A water-soluble, B9 vitamin, which stimulates the production of red blood cells and platelets, aids in reducing homocysteine levels during pregnancy, and promotes healthy cell growth.

Biotin

This B7 Vitamin is needed to metabolize carbohydrates, fats and amino acids. It also strengthens hair, skin and nails.

L-Carnitine

Amino Acid. Helps turn fatty acids into natural energy. Encourages healthy weight management, mental clarity. Improves fatigue, cardiovascular health, and athletic performance.
